

Craig W. Lewis Named Vice President and Chief Actuary by Delta Dental of Rhode Island

PROVIDENCE, RI – September 2010 - Delta Dental of Rhode Island, the state’s largest dental insurer, has named Craig W. Lewis as Vice President and Chief Actuary.

“We are very pleased to welcome Craig Lewis to Delta Dental of Rhode Island,” announced Delta Dental of Rhode Island President & CEO Joseph A. Nagle recently. “Craig is a forward-thinker with an entrepreneurial spirit,” said Nagle. “His proven know-how and extensive actuarial background will be an asset to the Delta Dental senior management team.

As Vice President and Chief Actuary, Mr. Lewis will oversee the organization’s actuarial, underwriting and statistical/analytical departments. He will serve as a key contributor to the development of the annual financial forecast, pricing and reimbursement strategies, and overall strategic plan.

Mr. Lewis brings more than 25 years of actuarial experience to his new role at Delta Dental. His extensive insurance industry background includes tenures as Director and Large Group Business Unit Actuary for Blue Shield of California and Director of Actuarial Service for Kaiser Foundation Health Plan, Inc. Mr. Lewis received his Bachelor of Business Administration in actuarial science from the University of Wisconsin, Madison. He is a Fellow in the Society of Actuaries (SOA) and a member of the American Academy of Actuaries (MAAA).

Delta Dental of Rhode Island is the state’s largest dental insurer. The Company and its wholly owned subsidiaries administer dental benefits for more than 700,000 members. The mission of Delta Dental is to improve the dental health of the people of Rhode Island by providing well-managed, high quality and affordable dental care products which are both financially viable and responsive to marketplace needs. www.deltadentalri.com
