## OF MASSACHUSETTS DENTISTS WHO PARTICIPATE WITH DELTA DENTAL OF RHODE ISLAND

**WELCOME** to Delta Dental of Rhode Island and our network of Massachusetts' dentists who participate in our local coverage program. These dentists have agreed to accept the Delta Dental allowance as full payment for covered services for members who are not covered by a national plan.\*

It's important to keep in mind that Massachusetts' dentists who are not listed in this directory are allowed to collect higher fees, so your out-of-pocket costs will be higher if you choose to visit a non-network dentist.

The information in this directory is current as of \_\_\_\_\_ and is subject to change as dentists move, retire or change their participation status. Before selecting a dentist, please ask if he or she participates with Delta Dental of Rhode Island.

This listing of Massachusetts' dentists is also available on our website at [www.deltadentalri.com](http://www.deltadentalri.com). Or, you can call Customer Service at **752-6100** or **1-800-843-3582**, or write us at P.O. Box 1517, Providence, Rhode Island 02901-1517.

*\*If you have national dental coverage, please refer to our website – [www.deltadentalri.com](http://www.deltadentalri.com) for a complete listing of participating dentists.*
