

## New benefit resources for your clients' employees

We've redesigned our benefit literature to make it easier than ever for your clients' employees to understand and use their dental benefits. Look for our newly designed Benefit Summaries and one-page *How Your Plan Works* overviews to launch soon. Your clients will receive new Benefit Summaries at renewal.

## DDRI to launch two-factor authentication for member online accounts

At Delta Dental, the privacy and security of your clients' information is among our top priorities. That's why as of January 2021, we're enhancing online security for clients' employees with the launch of two-factor authentication for online accounts at [deltadentalri.com](https://deltadentalri.com).

In this simple new process, your clients' employees will:

- Log in to their online account with their username and password
- Receive a message asking if they'd like to receive their secondary verification code by email or text
- Enter their verification code after they receive it
- Access their online account

If your clients or their employees have any questions, our friendly customer service team is happy to help. Call us at 800-843-3582 or email [customerservice@deltadentalri.com](mailto:customerservice@deltadentalri.com).
